Dear Valued KPhA Members,

It is our pleasure to present the amended and restated bylaws of the Kansas Pharmacist Association for your consideration today.

Two years ago, the Board of Trustees enabled the Structure & Governance Committee to look at the current organization of the Kansas Pharmacists Association with regards to an organization united together to represent Kansas pharmacy. The Structure & Governance Committee is comprised of representatives from many facets of Kansas Pharmacy. The Committee's activity started from a questionnaire that was sent to all Kansas pharmacists, members and non members as well as the current KU pharmacy students. Taking the results from the survey and member input, the committee has drafted the proposed bylaws for your consideration. The committee feels that the proposed bylaws and structure reorganization will help position KPhA to face the challenges of the next 127 years of its history through the guiding principles of Unity, Sustainability, and Affordability. And we feel that through this change in our organization, we will become more, not only in numbers but in strength through a unified voice and commitment to Kansas Pharmacy. It is through this reorganization that we have the opportunity to embrace the diversity within Kansas Pharmacy and help our organization grow stronger and be the model to which other organizations look for guidance.

We would like to thank the members of the Structure and governance committee for their ongoing commitment to KPhA. The following are the members of the committee: Rich Bieber, Mary Kate Blankenship, Jim Coast, Mike Conlin, Jenny DeVos, Harold Godwin, Nicki Kehr, Terry Kepka, Erin Kirkland, Jeff Pierce, Jim Rorstrom, and Jack Tebow. Also, special recognition is extended to Mike Larkin, KPhA Executive Director, Ann Rempel, KPhA parliamentarian, and Carol Bonebrake, KPhA attorney and committee facilitator for their hard work and dedication on the behalf of the Kansas Pharmacists Association. Special thanks go to Harold Godwin for chairing this important committee.

As you read through the proposed bylaws, please feel free to contact us with whatever questions or clarifications you have. Every member has the unique opportunity to help shape the future of this vital organization.

Please exercise your right as a member of the Kansas Pharmacist Association and vote on the amended and restated bylaws of the Kansas Pharmacist Association.

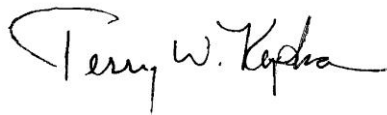

Sincerely,

Mary Kate Blankenship
